OBJECTIVE:: Dynamic and detail-oriented Clinical Research Assistant with a B.S. in Health and Human Development from Pennsylvania State University. Certified in phlebotomy and BLS/CPR with a background in emergency medical services. Proven ability to manage clinical trials, analyze large data sets, and perform various medical procedures. Seeking to leverage my expertise in a challenging entry-level position.

WORK EXPERIENCE

Wills Eye Physicians - MidAtlantic Retina March 2023 – September 2023
Clinical Research Assistant Bethlehem, PA

- Helped coordinators run clinical research trials for Macular Degeneration: including screening subjects, maintaining electronic patient databases, answering queries, and aiding with monitoring audits
- Ensured the proper collection, centrifugation, storage, and shipping of patient lab samples
- Conducted various medical procedures such as phlebotomy, visual field exams, refraction/BCVA, intraocular eye pressure, EKG acquisitions, vital signs gathering, and eye imaging on several machines (*Spectralis, MAIA*).

East Allen Ambulance Company January 2021 – December 2022
Crew Chief, Preceptor, EMT Bath, PA

- Trained first responders on responsible high quality patient care in accordance with company protocol
- Led medical response for emergent and non-emergent calls, maintaining scene safety

Cetronia Ambulance Company January 2018 – February 2020
EMT on Advanced Life Support Unit Allentown, PA

- Performed advance emergency care under the direction of medics and doctors for Lehigh County
- Received the Above and Beyond Award (Oct. 2019) for outstanding devotion to the community
- *EPIC/Zoll* charting systems, hazmat and MCI response experience

Salisbury Township High School October 2018 – November 2020
Assistant Varsity Wrestling Coach Allentown, PA

- Developed individual nutrition and weight lifting programs for student athletes to inspire healthy lifelong habits

Centre Lifelink Ambulance Company September 2015 – May 2018
EMT on Basic and Advanced Life Support units State College, PA

- Responded to 911 calls in State College, treated life-threatening injuries and transported to appropriate hospital
- Utilized *emsCharts*, *LUCAS* compression machine, *LifePak-15*, effective interagency radio communication

Elite Championship Tournament Baseball Seasonal since 2015
Operations Supervisor Allentown, PA

- Coordinated and managed large single-elimination baseball tournaments for multiple age groups every weekend.

EDUCATION

Pennsylvania State University August 2021
Bachelors of Science in Health and Human Development State College, PA

- Dean's List recipient 7 times; 3.56/4.0 GPA
- Served as Recruitment Chair of Penn State Boxing, participated in the Biobehavioral Health Honors Society, THON Dance Marathon, and volunteered in the Emergency Room at Mount Nittany Medical Center
